

## THE RICHMOND HOTEL BLOG: PLANNING YOUR PERFECT LIVERPOOL TRIP

LIVERPOOL IS A CITY AWASH WITH CULTURAL TREATS, TANTALISING RESTAURANTS, WONDERFUL ENTERTAINMENT AND SUPER FRIENDLY LOCALS – SO HOW CAN YOU BE SURE TO CRAM ALL THE BEST BITS IN AND PLAN YOUR PERFECT WEEKEND VISIT? HERE ARE FIVE TIPS FROM THE RICHMOND HOTEL TEAM TO GUARANTEE A LIVERPOOL TRIP TO REMEMBER:

1. **Do your research:** Check out the Liverpool Echo's what's on pages and Visit Liverpool to see what's happening in the city during your visit.

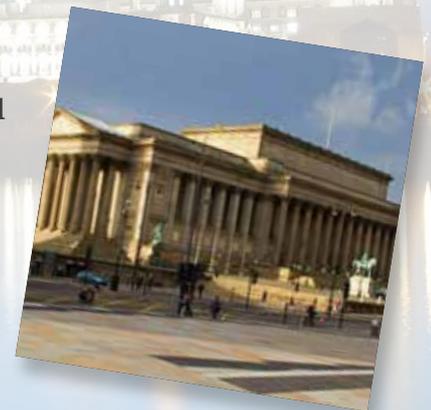

Whether it's live music at **The Echo Arena**, a theatre production at anyone of the city's three main theatres or just soaking up the live music as you walk through the city's streets, check out what's happening before you arrive.

2. **Look out for what's free:** Liverpool has a reputation for hosting some truly spectacular free events throughout the year such as **The Liverpool Giants** and **The Tall Ships Festival**. The next big one to watch is **The International Mersey River Festival**, a free three-day extravaganza of family fun, amazing music and entertainment (June 3 to 6).

3. **Take in the iconic sights:** If you're visiting Liverpool you just have take in the city's most famous landmarks - the **Liver Building** and its iconic Liver birds, the **River Mersey** and the ferries (including the striking Mayflower), the **Albert Dock**, **The Beatles Story** and **St George's Hall**, a wonderful Neoclassical building near Lime Street.

4. **Always something new:** The rate of new openings in Liverpool is second to none. The city's newest food openings are **Finca** at the **Botanical Gin Garden** for Cuban inspired food and **Give Kitchen's** eatery and organic shop, which gives a meal to the homeless for every meal sold. For the kids, check out the new **Nerf Centre** when it opens next month.

5. **Give yourself time to relax:** As tempting as it might be to pack your itinerary full, give yourself chance to soak up the city's atmosphere and discover its hidden gems too.
